

HEDBANZ™

RULES

AGE
7+

CONTENTS: 72 Cards, 24 Mickey Chips, 6 Headbands, 6 Pairs of Mickey Ears, 1 Timer

OBJECT: Be the first player to get rid of all your Mickey Chips!

SET-UP:

- Place the Cards face down in the center of the playing area.
- Each player takes a Headband and attaches a pair of Mickey Ears. Adjust the Headband around your head making sure the Hedbanz logo is centered on your forehead.
- Deal one Card **face down** to each player.
- **Without looking** at the Picture side of the Card, players insert their Card into the clip of their Headband so all the other players can see the Picture.
- Deal three Mickey Chips to each player. Any remaining Mickey Chips become the "bank."

ANSWERS:

- Each picture has two answers, a Disney proper name and a generic term. At the start of game play each player should decide which type of answer they will try and guess.

PLAY:

- The youngest player goes first. Then, play passes to the left.
- On your turn, flip over the Timer and ask the other players "YES" or "NO" questions to help you identify the Picture on your headband.
- The other players can only answer your questions with "Yes," "No," "Could Be" and "I Don't Know."
- The Question Cards show sample questions that you could ask to help you figure out who you are. These questions are only a guide; you don't have to ask them if you don't want to. You can ask any question except, "Who am I?" At any point you may ask, "Am I ...?"
- If you guess the Picture before the Timer runs out, take another Card and put it on your Headband (remember not to peek). Continue asking questions until the Timer runs out. For each Picture you guess correctly, put one of your Mickey Chips in the bank. Then it becomes the next player's turn.
- At any point during your turn, you can give up trying to guess. If you do, you must collect one Mickey Chip from the bank and are dealt a new Card for the next round.

WINNING:

- If you're the first to get rid of your Mickey Chips, you're the winner!
